Key Information

Nickname for this Funding Request

Create a nickname for this funding request to help you remember which product/services are included in this request.

Routers

This is for your records.

Duplicate Funding Request?

Yes

No

Most of you will choose no; this is asking if this is a request from an earlier funding year that hasn't been approved yet.

Service Type

What is the service type for the product and services that you are requesting?
Pick only one.

CATEGORY 2

- ☐ Basic Maintenance of Internal Connections
- ☒ Internal Connections
- ☐ Managed Internal Broadband Services

Your choice here will determine which options are visible later on in the process.

Establishing FCC Form 470

Did you post an FCC Form 470 for the product and/or services you are requesting?

☒ Yes, I posted an FCC Form 470 for the services.

Enter 470 number:

Entity: APPLICANT

Type in the 470 number, and click enter to validate it. You'll do the same with the SPIN number.

Service Provider Information ⓘ

Billing Account

If your service provider has given you one or more Billing Account numbers, please enter them below.

Billing Account Number

+ 6061234567

☐ Tariff
☐ Month-to-Month arrangement
☒ Contract

Contract Number

Add as many billing account numbers as you need for this funding request.

- Prices for tariff services are set by the FCC. Basic local phone service with no bells and whistles is an example of a tariff service.
- Month-to-month service is provided outside of a signed contract (probably by your current provider).
- Contracted services involve signing a contract before the Form 471 is filed.

Service Dates

Allowable vendor selection/contract award date: 10/19/2012

What is the date you awarded your contract?

02/18/2015

Enter the date the contract was signed (keeping in mind it must be after the 28 day window).

What is the date your contract expires?

06/30/2017

Enter the expiration date on the contract.

When will the services start?

07/01/2015

In most cases, this date will be July 1, 2015.

Does your contract have any voluntary extensions?

Yes ☒

No

Voluntary extensions are provisions that may be included in your contract allowing it to be extended a certain number of times. If your contract includes voluntary extensions, provide information about:

- How many extensions are left, and
- The length (in months) of the contract, including extensions.

How many extensions are left on the contract?

1

What is the total remaining length of the contract if you exercised all extensions (in months)?

36

Is this Funding Request covered under a master contract?

A master contract is negotiated by a third party, the terms and conditions of which are then made available to an eligible entity that purchases directly from the service provider.

Yes

No ☒

Your service provider should tell you if they're providing pricing based on a master contract.

Is this Funding Request a continuation of an FRN from a previous funding year based on a multi-year contract?

Yes

No ☒

If you're in the middle of a multi-year contract, choose yes here and enter the FRN number from last year's request.

Narrative

A one-sentence description that tells USAC what the service is and what entities will receive it.

Provide a brief explanation of the products and services that you are requesting.

4 routers: 2 for Flatwoods, 1 for Greenup, and 1 for McKeel

Pricing Confidentiality

Is there a statute, rule, or other restriction which prohibits publication of the pricing information?

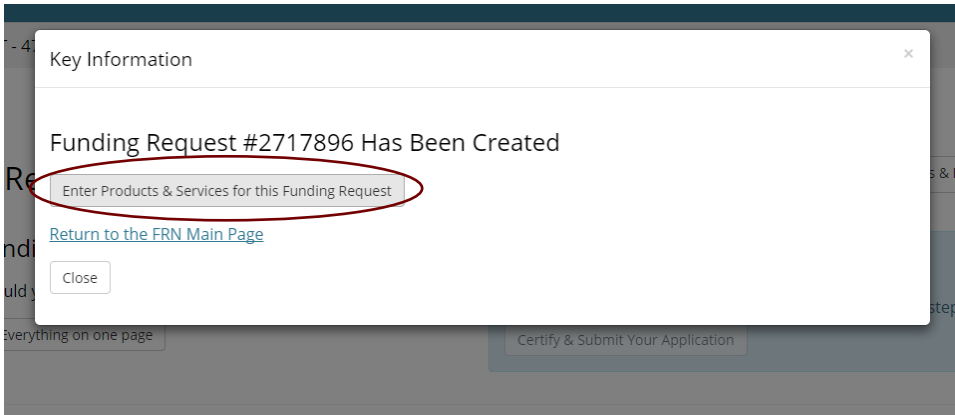

Yes

No ☒

Check no here. Purchases made by public libraries are considered public record.

We have a lot of options to choose from under make of covered equipment, but if our brand isn't there, we can type it in under "other" make.

Your contract/service agreement should include the model of the equipment.

Since this is a non-recurring service, we'll enter the total one-time cost for all 4 routers.
